**MARE REQUIREMENTS**

The Client/Mare Owner certifies that he/she is the sole owner of the mare, or has full authority to enter into this contract, on behalf of the owner(s). The Client/Mare Owner represents and warrants that the mare to be bred is healthy and in sound breeding condition. The Client/Mare Owner agrees to have the mare current on worming, vaccinations and a clean uterine culture plus cytology done, before insemination. If registered, a photocopy of the mare's papers, showing both sides, must be furnished and returned with this contract, as one of the requirements.

**LIVE FOAL GUARANTEE**

Should Mare fail to be in foal after initial insemination, Stallion Owner agrees to ship cooled semen for a repeat service AFTER receipt of signed veterinarian certificate confirming that mare is not in foal and payment of collection and shipping fees. Mare is entitled to return breeding privileges for ONE season following the initial breeding. The contract is not transferable. Should the mare not produce a live foal (i.e. a newborn foal that stands and nurses), the mare owner is entitled to return breeding. This guarantee shall only apply if the stallion owner is notified in writing within 72 hours of the foal's death. A statement of details by a licensed veterinarian must follow within 10 days or the guarantee becomes null and void. This clause is also binding in case of abortion. If the mare absorbs her pregnancy, we need written verification of this fact from your veterinarian. Should the stallion die or otherwise be unavailable for use if a Return Service is required, the breeder shall be refunded the stud service fee. All other fees are non-refundable for any reason and subject to increase.

**FOAL REGISTRATION**

The Client/Mare Owner will be issued a valid breeding certificate for the WPCSA and/or ISR/OLD NA by the Stallion Owner when the mare is checked in foal, all paperwork has been returned, and all fees and/or expenses have been paid. A replacement fee of \$25.00 will be charged if the Client/Mare Owner loses a breeding certificate.

**ON-FARM BREEDING ADDENDUM (if applicable)**

CLIENT/MARE OWNER will pay all veterinary related expenses directly to VETERINARIAN including insemination. CLIENT/MARE OWNER will be responsible for on-farm mare care fees and payment is to be made to Crying Coyote Farm upon return of MARE to MARE OWNER (after breeding).
